## SELEZIONE DI FORMAGGI

Cheese Board Selection

Choice of 3 for £ 11 | Choice of 5 for £ 15 | Choice of 7 for £ 20

### IL CANET pasteurised, animal rennet

Slightly ripened soft cheese made with cream, cow's and goat's milk, with edible orange rind. Fresh, salted cream drizzled with meyer lemon. Creamy and intense flavour, this cheese takes its characteristic colour tones and taste by the washing of the rind during the aging process with annatto.

### LA TUR pasteurised, animal rennet

Delicate creamy cheese made from a blend of sheep, cow's and goat's milk. A soft and very light, reminding ice cream texture. Obtained by a long maturation of three milks, the curd is gently processed by hand. La Tur has a great sweetness with cream and butter sensations, followed by acid notes and yeast flavours. It is straw-coloured, with a delicately bloomy rind.

### QUADER DE CAVRA pasteurised, animal rennet

The Quader de Cavra is a washed rind type cheese produced in Lombardy with only goat's milk. Excellent cheese for those who are intolerant to cow's milk. The Quader de Cavra has a white rind and a soft, sweet and delicate paste, excellent with medium-structured reds. Matured for 35 days in pine wood boxes.

### ROBIOLA BOSINA pasteurised, animal rennet

Soft cheese made with cream, cow's and sheep's milk with edible yellow rind and intense scent. Its creamy heart reveals nice butter and hay flavours, while its tender and slightly mouldy rind gives underbrush sensations.

### CARBONCINO pasteurised, animal rennet

Creamy cheese with just a hint of 'goatiness' and a yielding texture. Slightly ripened and made with cream, cow's and goat's milk from the ancient tradition to keep cheeses under ash. It's tender and oily texture and thin-dark rind is due to the washing process with vegetable charcoal during ripening. Lightly bitter vegetable note of the charcoal.

### UBRIACO ROSSO RISERVA pasteurised, animal rennet

This cheese undergoes the ageing treatment in vinasses (fermenting fruit and wine) of Raboso, Cabernet Franc, Cabernet Sauvignon and Merlot. Wheels of cheese are still dipped into Raboso wine and get the reddish purple color, typical of cheese preserved in wine. This version is left seasoned longer than the other Ubriachi (drunken cheeses). It is a whole cow's milk, seasoned from 12 to 14 months. It has lumpy dough and a characteristic aftertaste of fermenting fruit.

### PIAVE DOP VECCHIO pasteurised, animal rennet

Piave Vecchio Selezione Oro (red label) is pasteurised cow's milk cheese named after a river by the same name. The matured variety of Piave is offered only after it reaches its full potential at one year of ageing. It is a hard, grainy and crumbly with a flavour that is mild and never sharp. With longer ageing, it cultivates a very intense, fruity flavour with an enduring taste.

### CONDIO pasteurised, animal rennet

Seasoned with several kinds of sweet and pungent Mediterranean spices, cow's milk cheese with soft and mild in taste. This century-old cheese dates back to the Republic of Venice (from the late 7th century until 1797. Condio, meaning 'seasoned', is aged a minimum of three months and is generously rubbed with sesame, mint, parsley, thyme, marjoram, and basil.

### CASTELMAGNO unpasteurised, animal rennet

Castelmagno is a very ancient cheese with origins dating back to 1277, more or less at the same time as Gorgonzola. The cylindrical cheese is made from cow's milk with a small addition of a mixture of sheep's and/or goat's milk. Semi-hard and semi-fat blue cheese, crumbly in texture with a complicity and distinctive flavour. It requires a noble and complex traditional processing of at least 5 days, before being accompanied in a cave.

### BLUE DI LANGA pasteurised, animal rennet

Soft and smooth blue cheese made from cow's, sheep's and goat's milk, with a buttery paste. Beautiful marbling of Blue di Langa, widespread in the rind as in the creamy heart, is obtained piercing the cheese in order to oxygenate it, allowing the molds to develop and grow. Contrast between the sweetness and the softness of the paste and the roughness of its mushrooms and underbrush flavours.

### FONTINA unpasteurised, animal rennet

Made in the Aosta Valley since the 12th century, with a fat content of 45%, Fontina cheese is very rich and creamy which gets nuttier with ageing. It's a versatile cheese that can be used to make fondues and similar Italian dishes. Aged for 90 days, pale cream in colour and riddled with holes known as "eyes". Unpasteurized cow's milk..
