CONGRATULATIONS!

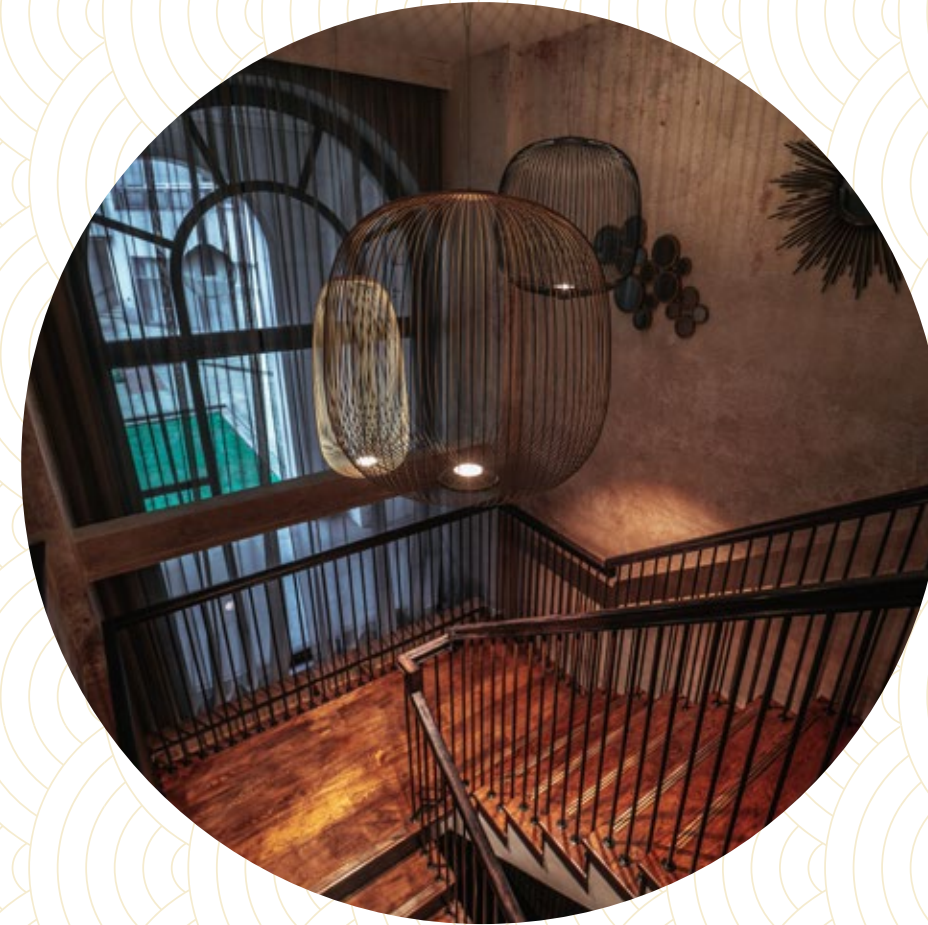

A question was popped,
A 'YES!' followed,
And now a whole new chapter awaits.
Let's give it the incredible beginning it deserves.

TIMELESS ELEGANCE & CLASSIC GRANDEUR
WITH SOPHISTICATED CITY STYLE

Stepping inside Piazza Italiana's Grade II listed building feels like stepping into the breathtaking backdrop of a bygone era.

Housed in the historic British Linen Bank, our Neoclassical Corinthian columns, high ornate ceilings, and exquisite chandeliers glimmer in the natural daylight that floods in through the floor-to-ceiling arched windows. Meanwhile, just outside the door, the bustling heart of the City awaits.

Sophisticated London style with a passionate Italian heart, our magnificent interiors are complemented by exquisite food and drink all delivered with warm, attentive service to create a seamless day that lives up to all expectations.

Take the entire venue as your own in all its opulent glory, or select the space that best reflects your personal style as a couple. There are countless ways to incorporate our variety of private rooms and menu options into your special day, making it as unique as you are.

Step away from ordinary and embrace the exceptional at Piazza Italiana.

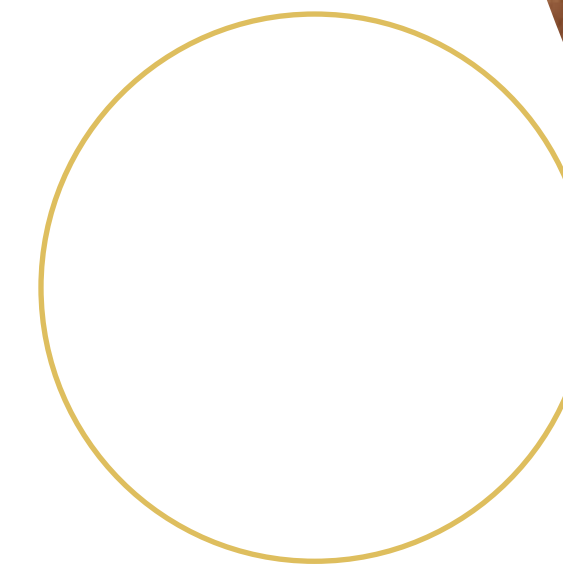

ANTE CHAMBER

Tucked away behind a heavy red velvet curtain on the left hand side of the ground floor restaurant is the impressive yet intimate Ante Chamber.

The atmospheric room's stunning design takes inspiration from a contemporary interpretation of Venetian palaces in which soft tones and delicate forms accentuate the grandeur of the space that is awash with glorious natural light from the majestic windows that look out onto Threadneedle Street.

Seating up to 14 guests around the marble roundtable centrepiece, this secret space provides an exclusive private dining experience for celebrations involving a select few on the big day itself or a rehearsal dinner the evening before.

MEZZANINE PDR

The dark wood panelled Mezzanine private dining room on the upper floor brings a natural air of sophistication to your wedding celebration.

Enter into your own private welcome bar area where the arched back bar glimmers with an extensive collection of golden whiskey and cognac that includes some rare finds worth toasting such a special day with.

The elegant long table in the dining space seats 14 people, but up to 18 can be catered for with the addition of an extra table.

MEZZANINE HALL

Elevate your wedding day experience and take Piazza Italiana's ornate upper floor as your signature space. The expansive, light-filled Mezzanine Hall can accommodate up to 48 guests seated and 60 standing.

The hall commands impressive vistas over the main dining room below, whilst views of the garden can be glimpsed through grandiose arched windows.

A delightfully flexible space that comes complete with its own bar beneath dramatic floating lights, the Mezzanine Hall works as a unique setting for your ceremony or the perfectly proportioned reception venue for a mid-sized celebration.

EXCLUSIVE VENUE HIRE

For a truly exceptional experience, why not make the entire Piazza Italiana venue yours? Exclusive hire means you can accommodate up to 350 guests for an unforgettably lavish day that everyone will be reminiscing about long after the last dance.

Piazza Italiana's Grade II listed building becomes your grand canvas to bring the day of your dreams to life. With countless photo opportunities at every turn, get creative and make the most of all corners of our magnificent venue.

The smaller private rooms can serve as break-out spaces for pre-ceremony preparations, middle of the day make-up refreshes or changing areas. Keep one as a secret hideaway you and your partner can escape to for a moment of alone time that's just yours to enjoy with a glass of bubbles and chance to breathe and take it all in.

The upper Mezzanine serves as the perfect spot for a drinks reception that's awash with atmosphere and, later on, the all-important cutting of the cake.

The Banking Hall, arguably the venue's most showstopping space, is only available with full venue hire. Here, the opulence of the existing architecture is complemented by rich upholstery tones, elaborate details from opulent original features and impactful lighting. An exquisite setting for saying your vows, the ground floor transitions seamlessly from day to night with plenty of space for the dance floor.
